

Announcing the arrival of our Vintage Dome Car!

Just in time for fall foliage, the vintage dome car will begin service on the Adirondack® on October 1st and extend through November 10th. An upper level with windows on all sides, as well as overhead, will provide superb panoramic views all the way from Albany, along Lake Champlain and across the border into Montreal! The dome will be available on the northbound Adirondack on Mondays, Thursdays and Saturdays; and on the southbound Adirondack on Tuesdays, Fridays and Sundays. All passengers traveling between Albany and Montreal are welcome to enter the dome car to enjoy the scenery. Seats in the dome are not reserved and available on a first-come, first-served basis. Don't miss this unique opportunity to explore upstate NY during the fall!
